Once a project is shared with you, you will receive an automatic email from customer@constructconnect.com.

Click the Orange **“View Project”** button.

The screenshot shows the 'Leads by ConstructConnect' registration page. At the top, there's a progress bar with four steps: 'Registration' (active), 'Marketing Profile', 'Search Profile', and 'Search Coverage'. Below the progress bar, a message states: 'We need to know a little about you.' followed by a disclaimer: 'In order to view the project that has been shared with you free of charge, please complete this brief registration form. If you need any assistance during this process, please feel free to contact our friendly customer service staff at (877) 422-8665. A representative will be available immediately to answer any questions you may have about your subscription.'

The form fields are arranged in three columns:

- First Name \***: Text input field.
- Email \***: Text input field containing 'kerhart@buildone.co'.
- Company Name \***: Text input field.
- Last Name \***: Text input field.
- Password \***: Text input field with a strength indicator.
- Business Type \***: Dropdown menu with 'Select Primary Industry'.
- Phone \***: Text input field with a country code dropdown.
- Confirm Password \***: Text input field with a strength indicator.
- Postal Code \***: Text input field.

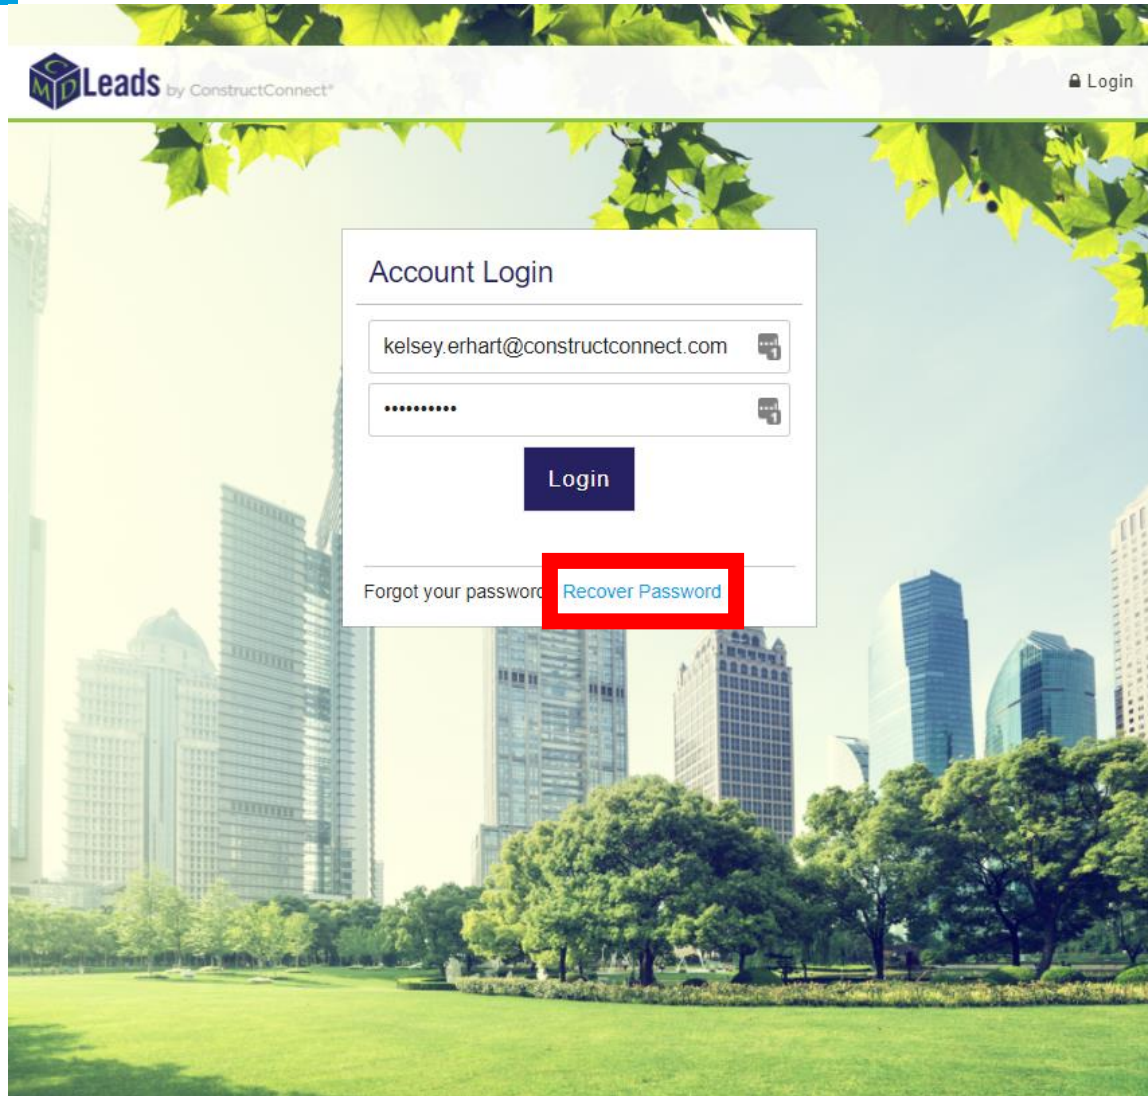

Below the fields, there is a checkbox: ☐ I agree to the [Terms of Use](#) and [Privacy Policy](#).

At the bottom of the form, it says 'Step 1 of 4' and a 'Proceed >' button.

The footer contains links: Contact Support, Site Map, Webinars, Terms of Use, Terms of Sale, Privacy, Cookies, Do Not Sell My Information, and a 'Live Chat' button.

Now you will fill out a one-time profile.  
This account profile works as a secondary authentication screening, so that our data sharing feature is not compromised.

Complete the profile to the best of your ability. The information you input will not restrict the projects that are shared to you.

If you were brought to this screen instead, click RECOVER PASSWORD (highlighted with a red square).

Ensure that the email address you've input is the same email address the project was shared to.
