

Think Water!

## Project Design & Spec Registration Request Form

This form is designed to protect the Multi aqua distributor who facilitates the specification and design of projects utilizing Multi aqua equipment. If approved, Multi aqua will put forth its best effort to protect the distributor who facilitated and assisted in the specification being written.

Multi aqua will make every attempt to grant exclusive bidding rights to the distributor who registers the job.

1. The Design & Spec Registration Form below must be completed and received by regular mail, email or fax to 864-850-8995 within 7 calendar days of the specification release date.
2. The Mechanical Equipment Schedule from the specification or blueprint for the job being registered must be attached or included with this request.

Both of the above listed items MUST be received by Multi aqua within 7 calendar days of the specification release date in order for this registration to be valid. Exceptions will be made at the discretion of Multi aqua.

Upon receipt of all the necessary documents, Multi aqua will sign and return this completed form for your records.
